

Broken and Unbroken

By Geoff Kanick

Things that can be Broken:

bones,
records,
hearts,
horses,
a code,
the ice,
rope,
printers, machines, window panes, silence, morning, fasts, lines, language, someone's trust,
ground, eggs, glass ceilings.

Shoes can be Broken in, so can baseball gloves, so can homes; and a 20 dollar bill can be Broken into change.

A car can be Broken down.

A fight can Break out.

A game can have Breaks, so can relationships, so can waves on the beach

A team can say "ready...Break"

A fast Break

The news can Break.

A person's water can Break.

You can Break the law.

The weather can Break.

You can get your big Break.

Dawn is Breaking.

And

If it ain't Broke...don't fix it.
